The state of the charity's affairs is considered to be satisfactory. Total income for the year ended 31st December 2008 from all sources amounted to £12,389 (2007 £8,868). Overall expenditure for 2008 amounted to £15,122 (2007 £8,292). The total funds had decreased at the year end by £4,908 to a total of £154,008.

The main income for the group comes from membership subscriptions. The fee is set at a modest level to encourage membership. The Colour Group is also supported by a number of corporate patrons who pay substantially more for their membership in support of the aims of the group as an educational charity dedicated to encouraging the study of colour in all its aspects and to promoting education of the public in the field of colour.

The Colour Group's main expenditures in support of its charitable aims are in the running of educational meetings and in providing grants for those involve in colour research to attend meetings and disseminate their knowledge. The monthly group meetings are free and open to all, whilst more specialised meetings are usually run in collaboration with other learned organisations. Budgets for these latter meetings are planned to break even in order to make them more accessible to more people.
The trustees who are also directors of the charity for the purposes of the Companies Act 1985, present their report with the financial statements of the charity for the year ended 31st December 2008. The trustees have adopted the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities' issued in March 2005.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document
The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 1985.

It is registered with the Charity Commission under number 1047548 and as such is a non-profit making organisation.

Recruitment of Management Committee
The management and control of the Colour Group is vested in the Committee which is elected by the Members at the Annual General Meeting held in May, following the procedures laid down in the Articles of Association. The Committee normally comprises six office holders and six ordinary members. All service on the Committee is honorary and without remuneration. Any casual vacancy amongst the Ordinary Members of the Committee may be filled from amongst the Members.

The Committee has the power to co-opt any person to the Committee provided that there are not more than two such co-opted persons serving on the Committee at the same time. The normal term of office is two years for the Chairman and Ordinary Members, and five years for the Secretary and Treasurer. The Chairman usually holds the office of Vice-Chairman in the year prior to and the year following his or her tenure as Chairman, thereby providing good continuity of management. The Committee normally meets five times per year.
STRUCTURE, GOVERNANCE AND MANAGEMENT
Organisational structure
The members of the Committee, and hence Directors of the Company during the year were:

Each candidate for membership must be nominated and seconded by existing members, and all proposals for new membership are considered by the Committee. Members are required to pay an annual subscription which is currently £15. Life membership may be purchased for a one-off payment, currently £250. At the end of December 2008 there were 123 Ordinary members, 26 Life Members, 14 Patron Members and 9 Honorary Members.

Related parties
The Colour Group is a member of the International Colour Association (AIC), based in Geneva, a world-wide association of societies interested in the subject of colour. It is also affiliated to the UK division of the Commission Internationale de l’Éclairage (CIE), based in Vienna, the international body responsible for standardisation of illumination and colour. It collaborates with the Society of Dyers and Colourists, based in Bradford, in a range of activities.

Risk management
The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Each year a risk assessment is undertaken by the Committee in order to identify the major risks to which the Colour Group is exposed under the headings: Governance and Management, Financial, Compliance, Operational, Environment and External Factors. The risks register currently lists a total of 20 potential risks which have been assessed as to their likelihood and potential impact. Existing and new control systems have been identified to limit each of these risks. The majority of individual risks are reviewed annually.

OBJECTIVES AND ACTIVITIES
Objectives and aims
The Colour Group (Great Britain), founded in 1940, is an interdisciplinary society that draws together people interested in all aspects of colour - its perception, measurement, reproduction and artistic expression. Monthly meetings are held, mostly in London, from October to May and provide a unique forum for the exchange of information and contacts. The objectives of the Colour Group are to encourage the study of colour in all its aspects and to promote education in the field of colour.
ACHIEVEMENT AND PERFORMANCE

The Colour Group publishes a monthly newsletter circulated to members by post and email, to disseminate information on all aspects of colour to a potentially very wide audience. It also maintains an informative website at http://www.colour.org.uk/

The year 2008 saw the rotation of the Group’s awards turn to the W D Wright Awards and the final tranche of the MacDonald/Green Awards. There were sixteen applications for these Awards and the Committee made eight awards. The successful applicants, all PhD students, shared eight nationalities, came from five universities and presented their work at three different international meetings. A total of £3,700 was awarded, no award greater than £500.

During the year the announced policy of appointing a Teaching Fellow to lecture and demonstrate the wonders of colour to senior school children was put into place. The applicants were of high calibre and eventually two Fellows, each on about half fee and half work load, were appointed and they started work, one in the south east of England and one in Scotland.

The following meetings were held in 2008. Colour Group meetings were attended, in aggregate, by 405 people, with the average attendance being 51 people.

FINANCIAL REVIEW
Investment and reserves policy
The Directors consider that the overall investment policy meets the objectives of the charity, balancing current income with expenditure to achieve the Group's aims. The investment policy is to achieve a balanced return between income and capital growth from a low level of risk. At present our investments are shared between COIF Charity Funds and a relatively high yield deposit account. This situation has been reviewed and professional advice is being sought to enable the Directors' recommendations to be put into place so, the Directors recommend the following:-

1. The Group will seek to maintain a financial reserve of £80,000 which will be invested to maximise any return but at a risk level judged suitable for a charity reserve: any return will be classified as income and shown appropriately in the accounts

2. The remaining funds will be:
   a) split into a float of some £5,000 or so to be kept as cash at bank in a current account
   b) and the remaining part be placed in short term investments judged suitable for charities and be accessible for those expenses that necessarily occur every few months or on an annual basis

3. The sums allocated to the Awards will be reviewed and agreed annually before the Awards are publicised

4. The funding for continuation of the Teaching Fellowships will be reviewed annually.
This policy will allow:

1. Provision of income for continuing charitable operation and any associated administrative costs;
2. Provision for unseen contingency costs;
3. Compliance with UK charity and accounting law.

The Reserves Policy will be reviewed annually in conjunction with other policies. The Colour Group now has more funds than ever before due to legacies. The trustees' policy is to maintain the level of free reserves to ensure continued financial stability, allowing The Colour Group to meet its aims and objectives as they evolve in the future.

FUTURE PLANS
The Group will be continuing with its policy and strategy in undertaking meetings in support of and in collaboration with other organisations in all aspects of colour. These are open to members and non-members of the Colour Group.

Initiatives planned for the next five years include:

1. The Turner Medal will be awarded in 2009 to a distinguished artist or art historian who gives the Turner Lecture to honour Britain's greatest colourist.
2. Continue on an annual basis to advertise and award travel grants to graduate research students to facilitate their attendance at international conferences.
3. The Teaching Fellowships established in 2008 for a series of lectures around the UK, mostly to schools and colleges, to promote interest in, and understanding of, the opportunities for colour in art and science will be continued and reviewed for possible extension for a further year.
4. Closer ties will be established with the Colour Library at the Royal College of Art, with the aim of developing it into the national collection on all aspects of colour.
5. Plans to host the 12th International Colour Association (AIC) Quadrennial Congress in 2013 in the UK will be taken further in association with the Society of Dyers and Colourists.
6. A Working Group on 'Colour in the Workplace' will be established to examine the current ergonomic standards that affect human performance and attitude.

All these plans and initiatives are in place to ensure that The Society is fulfilling its role as an educational charity as is the provision of grants.

ON BEHALF OF THE BOARD:

Prof. John Mellerio (Secretary)

THE COLOUR GROUP (GREAT BRITAIN)

Balance Sheet - continued
At 31st December 2008

The charitable company is entitled to exemption from audit under Section 249A(1) of the Companies Act 1985 for the year ended 31st December 2008.

The trustees have not required the charitable company to obtain an audit of its financial statements for the year ended 31st December 2008 in accordance with Section 249B(2) of the Companies Act 1985.

The trustees acknowledge their responsibilities for
(a) ensuring that the charitable company keeps accounting records that comply with Section 221 of the Companies Act 1985 and
(b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Section 226 and which otherwise comply with the requirements of the Companies Act 1985 relating to financial statements, so far as applicable to the charitable company.

These financial statements have been prepared in accordance with the special provisions of Part VII of the Companies Act 1985 relating to small charitable companies and with the Financial Reporting Standard for Smaller Entities (effective January 2007).

The financial statements were approved by the Board of Trustees on ................................... and were signed on its behalf by:

.............................................
Prof Lindsay MacDonald (Chairman)

.............................................
Dr Valerie Bonnardel (Treasurer)

THE COLOUR GROUP (GREAT BRITAIN)

Notes to the Financial Statements
for the Year Ended 31st December 2008

1. ACCOUNTING POLICIES

Accounting convention
The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets and in accordance with the Financial Reporting Standards for Smaller Entities (effective January 2007), the Companies Act 1985 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities.

Incoming resources
All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Resources expended
Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Stocks
Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation
The charity is exempt from corporation tax on its charitable activities.

Fund accounting
Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.
